Department News

Congratulations to Camille Reuter Grzelak, DPT (‘13) and Leslie B. Glickman, PT, PhD (‘64) who recently had an article published in the
The Class of 2016 arrived safely in Albany, GA on Sunday and have had a great first few days of building for the Habitat for Humanity project. They joined with a team of 50 students from a school in Canada and 3 retired couples who have traveled down to help lead them. They have been spending the past few days on framing, making walls, windows, and doors!

Larry W. Forrester, PhD, Associate Professor was the lead author on, "Modular Ankle Robotics Training in Early Subacute Stroke A Randomized Controlled Pilot Study," published in Neurorehabilitation & Neural Repair 2014 Feb 10. [Epub ahead of print].

Jill Whitall, PhD, Professor, was a co-author on, "Auditory-motor integration of subliminal phase shifts in tapping: better than auditory discrimination would predict," published in Experimental Brain Research, Jan 22. [Epub ahead of print].
