APTA of Maryland Advocacy Day

There were over 100 students and PTs/PTAs in Annapolis for the APTA of Maryland Advocacy Day in Annapolis on Wednesday, February 10th, 2016. Four PTRS faculty members: **Drs. Linda Horn, Laura Neely, Tomas Kalil, and Roy Film** were in attendance as well. The group talked to the legislators about opposing HB 232 and SB 605 which increase the scope of practice for athletic trainers.

Pictured above:

Top left - (left to right) Linda Horn, Shannon Will, David Morris, Delegate Morhaim (Baltimore County), Chaunell Abrams, Jonathon Schehr, Meagan Wademan.

Top right - (left to right) Amanda Daugherty, Corinne Howe, Alex PerDieu, Delegate Mark West, Robert Scheeler, and Mark Lobeck

Rehabilitation Science Research Seminar

***No Seminar this week
due to the
APTA Combined Sections Meeting***

Please plan to join us next week on Friday, February 26th from 9:00am - 10:00am in Room 511 of the Allied Health Building at 100 Penn Street.

Welcome Baby!

Please welcome Edmond James!!
He was born three weeks early to proud parents
Odessa Addison (PTRS Research Associate) and Jake Kruse on
Saturday, February 13th weighing in at 7 lbs., 3 oz., and 21 inches
long. Mom and baby are doing well!

Congratulations!!

UMB Graduate Research Award

Congratulations to Elizabeth Woytowicz, PTRS Ph.D. Student for winning the University of Maryland, Baltimore, Graduate Student Association's Spring 2016 Graduate Research Award for her research on neural networks involved in performing complementary bilateral tasks in young adults.

The Graduate Research Award is a semesterly award given by the Graduate Student Association to a senior graduate student. The purpose of the award is to help graduate students complete their thesis work when project funds are in jeopardy or non-existent. It is awarded based on professional financial need and merit. The award provides funds for supplies towards the student's research.

Continuing Education Opportunities

More Bang for the Buck: Enhancing Outcomes Through Impairment-Based Treatment

**Saturday March 5, 2016
8:00 - 4:00 PM**

Instructor: Michelle Green PT, DPT
CEU Credits: .6 CEUs Approved from the Maryland Board of PT Examiners.

Where: Allied Health Building: 100 Penn Street, Baltimore, MD 21201

Free for CIs with voucher credits*. Discounted pricing for Alumni.
*If you are a PTRS CI and do not know your voucher number please check your CORE ELMS profile or email ptrsclined@som.umaryland.edu

Impairment-Based Treatment offers rehab professionals a structured framework to produce maximally effective treatment interventions. Rehab professionals are increasingly having to do more within a shorter timeframe. We need to be more effective and precise in our assessment and treatment prescription. The ICF Model will be examined and the participants will learn to tease out impairments which limit function and how to develop treatment interventions to address these impairments. Participants will learn how to hypothesize, test hypothesis, and prioritize impairments to promote more effective treatment interventions. Selection of appropriate tests and measures is reviewed. Extensive afternoon lab section designed to introduce use of common household and clinic items in their design to add fun and interest to their programs. This is not specifically ortho- or neuro-focused, but instead uses a wide variety of case examples to highlight the problem solving process for any diagnosis with examples tailored to the needs of the facility.

NORMAL AND VARIANT ANATOMY OF THE UPPER EXTREMITY: CLINICAL APPLICATIONS?

**Wednesday March 23, 2016
5:30-10:00 PM**

Instructor: Vincent Conroy PT, DScPT
CEU Credits: .4 CEUs Approved by the Maryland Board of PT Examiners

Where: Allied Health Building: 100 Penn Street, Baltimore, MD 21201

Free for CIs with voucher credits*. Discounted pricing for Alumni. Space is limited to 25 participants.

*If you are a PTRS CI and do not know your voucher number please check your CORE ELMS profile or email ptrsclined@som.umaryland.edu

This course is designed to enhance the participants' understanding of anatomical rationale associated with clinical diagnoses of the upper limb. Participants will be provided with a detailed anatomical review, both normal and variant, of the upper extremity and adjacent anatomical regions that may have influence on diagnoses. This review will allow each individual to formulate objectives that can be pursued in the laboratory sessions.

APTA CREDENTIALLED CLINICAL INSTRUCTOR COURSE

Saturday & Sunday, April 2 & 3, 2016
7:30-5PM

Instructor: Janet Mutschler PT, DPT, MHS
CEU Credits: PTs/PTAs: 1.5 CEUs, Healthcare providers from other disciplines: 1.2 CEUs

Where: Allied Health Building: 100 Penn Street, Baltimore, MD 21201

Discounted pricing for Alumni or CIs* & CCCEs with voucher credits. Space is limited. **Registration Deadline March 5, 2016**

*If you are a PTRS CI and do not know your voucher number please check your CORE ELMS profile or email ptrsclined@som.umaryland.edu

The program addresses issues of planning for students during their clinical education experiences, developing and facilitating learning experiences, supporting ongoing learning through questioning and effective feedback, and partnering between the academic program and clinical sites.

IT TAKES A VILLAGE: MENTORSHIP FOR THE CLINICAL EDUCATOR

MAC Spring Workshop

April 8, 2016
Registration 1:30-2:00PM
Workshop 2-6PM

Registration: Coming Soon

Where: Allied Health Building: 100 Penn Street, Baltimore, MD 21201

Course Description:

In 2014, with the support of APTA, the Education Section, and FSBPT, the American Council of Academic Physical Therapy held a Clinical Education Summit where stakeholders shaped a shared vision of a "common culture of teaching and learning based in strong partnerships with shared responsibility..." This innovative program is designed to foster collaborative networks that will provide educational mentorship opportunities for novice and experienced clinical educators. Participants will receive an overview of best practices in mentorship in clinical and educational arenas, discuss various strategies for the provision and receipt of feedback among all clinical education stakeholders, and explore the paralleled opportunities for mentorship for the clinical educator. The program will be offered in a multi-modal format including presentations, interactive simulations, and opportunities for informal networking.

Class Fund Raisers

Class of 2016

This is the final month for the **Class of 2016's** Popcorn Palace fundraiser and they need all the help to make this fund raiser a success! Please consider sharing the link below and purchasing some delicious popcorn for friends, family, Valentines, and yourselves! Your support is really appreciated!!

<http://www.popcornpalacefundraising.com/umb-ptrs-class-of-2016.html>

Class of 2017

BULL *and* SHRIMP ROAST

You are invited to join the **Class of 2017** for their 2nd Annual Bull and Shrimp Roast! Join the Class of 2017 as they celebrate the end of the semester while raising money for great causes with friends, family, and classmates on Friday April 22nd from 7pm-11pm in Canton (right by Brewer's Hill).

This is an all- inclusive event....all you can eat and drink for \$40! There will be a silent auction, 50/50 raffle, door prizes, money wheels and so much more. The Class of 2017 works hard to put on a great event and they would love for you to join them. Proceeds from this event contribute to their class banquet, department gift, and the 2015-2016 Pittsburgh-Marquette Challenge!

For tickets and more information, email Kelsey Rogers, SPT '17:

Kelsey.Rogers@som.umaryland.edu

Campus Happenings

Blood Drive

The SOM Student Council will be helping to host a blood drive on:

****TODAY****

Wednesday, February 17th

12:30PM-6:00PM

MSTF Atrium

They are looking to get 12 donors and 2 double red donors per hour (Double red cell donation is similar to a whole blood donation, except a special machine is used to allow you to safely donate two units of red blood cells during one donation while returning your plasma and platelets to you.) To sign-up to donate blood, click [HERE](#), and enter "UMMED" as the sponsor code.

In addition, we are looking for volunteers to help this event run smoothly. Three volunteers are needed per hour to help with things like registration and refreshments. Please [sign up here to volunteer](#).

As an added incentive, everyone that donates or volunteers will be able to enter a raffle for \$25 gift cards to Chiptole, Panera, Nando's and Starbucks.

Please consider either donating or volunteering - you can really help make a difference. For additional information, contact the Student Council at umb.som.council@gmail.com

Public Safety

Feel Safe. Call a Police Escort.

It's getting dark earlier. Don't forget that the UMB Police offers van and walking escorts on campus and in surrounding areas. The boundaries for the services can be viewed on the [UMB campus map](#).

Call 410-706-6882 to arrange an escort.

For more campus safety tips, visit:

<https://www.umaryland.edu/publicsafety/safety-tips/>

Additional Meeting Deadlines

For additional meeting deadlines, visit <http://pt.umaryland.edu/research.asp> and select the "Research Events Calendar" file.

Reminders

Have news to share?

Please send news, announcements, updates and pictures to **Donna Bethke**, dbethke@som.umaryland.edu, by Monday at 5 PM to be included in the current week's issue.

Thanks for sharing!!!!
