

Full-time, non-tenure track faculty positions in physical therapy and orthopedic clinical practice

The University of Maryland Baltimore, School of Medicine, Department of Physical Therapy & Rehabilitation Science, Entry Level Doctor of Physical Therapy program (PTRS) is now accepting applications for a full-time, non-tenure track faculty position with significant time spent in clinical practice.

Clinical practice responsibilities include evaluation and treatment of patients referred from University of Maryland Orthopedic Associates (UMOA) surgeons and others. Collaboration opportunities with other services provided at the practice include radiology, occupational therapy, and orthotics/prosthetics. **Teaching** responsibilities include didactic instruction within the PTRS DPT Program in areas of content expertise; participation in curriculum evaluation and development of the DPT program; student advisement; engagement in scholarly activities; and service.

A physical therapy license or Maryland eligibility for PT licensure, a clinical doctoral degree, and prior experience working with patients with orthopedic conditions are required.

Preferred Qualifications include Orthopedic Certified Specialist (OCS), previous academic teaching experience, ability to work collaboratively and successfully within multiethnic, multicultural campus and community settings, Spanish-speaking, and experience treating patients covered by Workers' Compensation.

Rank and Salary: Assistant Professor (Salary commensurate with experience and qualifications).

Applications: Accepted until position is filled. Submit a letter of application, and curriculum vitae to the Chair of the Search Committee: Peter Bowman, PT, DPT, FAAOMPT, University of Maryland School of Medicine, Department of Physical Therapy & Rehabilitation Science, 100 Penn Street, Baltimore, MD 21201-1082. Email: pbowman@som.umaryland.edu

Please include the Position number 03-329-44 in your letter of application.

About PTRS and UMOA:

We are located on the professional campus of the University of Maryland in Baltimore within the University of Maryland School of Medicine. The PTRS Department offers the Entry-level DPT, a PhD in Physical Rehabilitation Science, and a DPT/MPH Dual Degree Program (<http://pt.umaryland.edu>). UMOA is a non-profit group (501c3) affiliated with the University of Maryland School of Medicine.

About Baltimore:

Baltimore is known as “charm” city because of its beautiful downtown skyline and waterfront as well as many historic and vibrant neighborhoods. Culturally on a par with nearby cities of Washington DC, Philadelphia and New York, Baltimore has an international airport, is home to the Orioles and Ravens and has close access to a variety of beaches and two mountain ranges.

The University of Maryland, Baltimore is an Equal Opportunity/Affirmative Action/ Employer. Minorities, women, individuals with disabilities, and protected veterans are encouraged to apply.
