Phone Number: 415-855-0002 | Access Code: 565 934 496

Drs. Ming Tai-Seale (PAMFRI) & Christine Ritchie (UCSF), experts on advance care planning, will present on their collaborative AGING Initiative Pilot Project, focusing on palliative care in older adults with MCCs.

Questions you'd like to be answered during the webinar will be accepted prior to the webinar;

Please send questions to Kathryn.Anzuoni@meyersprimary.org by Monday, July 11.

The HCSRN-OAICs AGING (Advancing Geriatrics Infrastructure & Network Growth) Initiative is an NIA-funded endeavor with the goal of connecting investigators and resources within the Health Care Systems Research Network (HCSRN) with those in the Claude D. Pepper Older Americans Independence Centers (OAICs) to create a national resource to advance an interdisciplinary research agenda focused on older adults with multiple chronic conditions (MCCs). This webinar series is hosted by the Dissemination Workgroup, co-led by Dr. Leah Hanson, HealthPartners, and Dr. Heather Whitson, Duke University, of the [HCSRN-OAICs AGING Initiative](#).

For more information about joining this webinar, please contact Kathryn Anzuoni at: Kathryn.Anzuoni@MeyersPrimary.org
