The Chair's Chatter

Department News

Scholarly Activities

Brian Johnson, OTR/L, Occupational Therapist, PhD Candidate, Graduate Research Assistant, traveled to Washington, DC on March 7th, 2018, to participate in The American College of Sports Medicine's (ACSM) Capitol Hill Day. While there, members of the ACSM and celebrity athletes met with policy makers to advocate for new health care legislation.

Wan-wen Liao, PhD Candidate, recently reviewed a manuscript for "Disability and Rehabilitation".

On Thursday, March 8th, 2018, **Laurie Neely**, PT, DPT, NCS, Assistant Professor and Director of Clinical Education; along with Michelle Gorman, UMES DCE, taught a CEU course titled "Mentoring Collaborative Healthcare Providers for the Future" to the Sentara Healthcare System. Over 75 therapists attended.

Interprofessional Education Event

School of Medicine, Department of Physical Therapy and Rehabilitation (PTRS) third year students accompanied students and faculty from the Schools of Dentistry, Nursing and Pharmacy at Roland Park Place on Wednesday, February 28th, 2018 for an Interprofessional Education (IPE) event sponsored by the University of Maryland, Baltimore (UMB) Geriatric Interest Group. **Shannon Will**, **Soly Jacobs**, **Nina Fisher** and **Stephanie Palacios** (Class of 2018) joined **Vincent Conroy**, PT, DScPT, Assistant Professor, and

students and faculty from UMB's Dental Hygiene program, Nurse Practitioner program and Pharmacy program by visiting residents, reviewing their medical histories and providing recommendations as needed. The event was coordinated by Reba Cornman, MSW (Director of UMB Geriatrics and Gerontology Education and Research Program) and Dr. Elizabeth Galik, PhD, CRNP, FAAN, FAANP (School of Nursing).

Research Seminar

Please plan to join us on **Friday, March 16th** from 9:00am - 10:00am in Room 211 of the Allied Health Building at 100 Penn Street for a presentation entitled:

"Predicting Models of Rehabilitation of the Upper Extremity after Stroke"

by

Robynne Braun, MD, PhD

Assistant Professor, Department of Neurology, University of Maryland, School of Medicine
Co-Director, Stroke Unit, University of Maryland Rehabilitation & Orthopaedic Institute

Dr. Braun's talk will center around the following learning objectives: (1) Recognize of how common medical issues in the acute phase of care can shape patient's later rehabilitation course; (2) Identify key factors that may act as predictors of rehabilitation outcomes after stroke; (3) Describe two important predictive models for recovery of function and reversal of impairment. Further information about Dr. Braun's clinical and research interests can be found at

Campus Events

Campus Safety

Patrol Changes

UMB Interim Police Chief Martinez Davenport, MS, reminds us that his officers on patrol are no longer remaining stationary. Since last fall, they have been urged to walk the area near where they are assigned. If you don't see officers "you can be sure

they are close by." When in doubt, always use UMB Police escorts available 24 hours a day, seven days a week, 365 days a year. Call 6-6882 on a campus telephone or 410-706-6882.

March For Our Lives

Saturday, March 24th, 2018

UMB will be providing shuttle service to and from the march. March For Our Lives will take to the streets of Washington, DC, to demand an end to gun violence and mass shootings in schools. Bus departure will be at the Pearl Garage Office (622 W. Fayette Street). For more information and/or to register, click [HERE](#)

Wellness Fair

[Additional Details](#)

UMB Wellness Fair
Monday, March 26th, 2018
10:00am to 2:00pm
SMC Campus Center
1st and 2nd Floors

Students, faculty, and staff are invited to engage in health and wellness activities and learn life balance strategies. Enjoy free health and wellness screenings and seated massages, giveaways, raffles, and more!
