## Graduate Research Conference

Graduate  
Research  
Conference

March 9 2015  
8:30 am – 5:00 pm

---

SMC Campus Center  
621 W Lombard Street

**Keynote Speaker Nathaniel Comfort** is a professor of the history of medicine at the Johns Hopkins University School of Medicine. His work centers on heredity and health in 20th century America. His newest book, *The Science of Human Perfection: How Genes Became the Heart of American Medicine*, examines the development of the field of medical genetics from the early days of Mendelism to the Human Genome Project.

Registration and abstract submission is open for the Graduate Research Conference (GRC) hosted by the GSA! Submit your Abstracts on the GSA-GRC website, [here!](#)

Present a poster or apply to give an oral presentation (free registration for UMB graduate students). Faculty judges will assess the content and quality of each presentation. Prizes will be awarded to the best in each session. Students may also qualify to receive one of 2 special awards.

The deadline to register is **Wednesday February 18th, 2015!**
