Pinning Ceremony

Friday, May 2, 2014
3:00 pm
Davidge Hall: 522 W. Lombard Street
Baltimore, MD

Pinning celebrates the approaching completion of the first year of the DPT program, and advancement onto the clinical portion of the curriculum. Students are "pinned" by the faculty. This gesture is symbolic of the student-teacher relationship that will eventually transition to that of colleague-to-colleague. Each student creates a PowerPoint slide that reflects the significance this ceremony holds for of him/her. As the students are pinned, the slides will be projected. Name badges, lab coats and department pins are given to students at the ceremony. Family and friends are invited to attend. Refreshments will be served in the SMC Campus Center following the ceremony.
