\$60K for 60 Years!
I help make Lecture Hall 219 a gathering place for the PTRS community!

Lecture Hall 219 Fund
A PROJECT OF DEPARTMENT OF PHYSICAL THERAPY AND REHABILITATION SCIENCE

The year PTRS is celebrating our 60th Anniversary and we want to continue improving! Lecture Hall 219 is a central location for the Department of Physical Therapy and Rehabilitation Science for meetings, lectures, and events, but the room isn't what it used to be. The uncomfortable seating, small tables, and overall wear and tear are difficult to navigate both for students taking exams and alumni attending continuing education courses.

60 years of the PTRS community improves the space and makes it a place where students learn.

PTRS Community, join our **\$60K for 60 Years** fundraising initiative for renovating Lecture Hall 219! We are raising a minimum of \$60,000 for our **60th Anniversary** to renovate Lecture Hall 219! PTRS Chair **Mark Rogers**, PT, PhD is challenging all PTRS faculty and staff with a **Chair's Chair Challenge** and students are being challenged with a **Class Challenge**. Give any amount at [219GIVE](http://pt.umaryland.edu/219Give) (pt.umaryland.edu/219Give) OR make a gift

or pledge to name a seat in the renovated space. For more information contact **Jacynta Brewton**, Director of Development & Alumni Relations, at jbrewton@som.umaryland.edu.
